Bill, I am available Tue., Jul. 10th, other than 1:00-2:00pm (Post-Construction Meeting). I am available Thu., Jul. 12th, all day, although AM would be preferable to PM.

Thanks,  
Steve

Paula/Steve: I'd like to meet with Alice and Celia from DEH on VBI70 OU2. Here are the times that she's proposed. Let me know what works for you.

Thanks. I just got a meeting request from 9-11A on Monday, July 9<sup>th</sup> so am not available. But, Lisa has freed up on Tuesday, July 10<sup>th</sup> so we could meet anytime that AM. Thursday is still the same for us.

Available times the week of the 9<sup>th</sup> are:

July 10<sup>th</sup> – AM (no Lisa)

July 12<sup>th</sup> – preferably AM but could meet PM

Bill Murray, Director  
Superfund Remedial Program  
EPA Region 8  
(303)312-6401

Hi Bill, Celia is on vacation that week and the following week, so we should meet without her. I would like to include Lisa unless you'd prefer the meeting to be more general and not technical in nature.

Available times the week of the 9<sup>th</sup> are:

July 9<sup>th</sup> – AM

July 10<sup>th</sup> – AM (no Lisa)

July 12<sup>th</sup> – preferably AM but could meet PM

When we met I mentioned that the Five-Year Review for Lowry is not approved. Could you let me know the status of that? It makes sense that Bonnie would stay on the project and not transition off until that document has been signed. I'd like to discuss this timing with you if approval of the report is not imminent. Perhaps after our meeting on VB we could sidebar on this topic.

Thanks, also, for your and Sandy's time yesterday. I look forward to working more closely with you.

Alice: Thanks for coming over to our place yesterday. I hope you didn't get soaked getting back to your office. It was good to get your perspective on site issues and overall communication/coordination between the Region 8 Superfund program and Denver. In the future I hope you'll feel free to call me whenever issues of concern arise. I'd like to get together soon to talk about VB/I70 OU2. I spoke briefly with Steve Wharton this morning and we're both available the week of July 9. Could you provide me with some dates/times that will work for you and Celia? We can return the favor and come to your office this time.

Bill Murray, Director  
Superfund Remedial Program
